Defeat is a word which n ne ever likes to face.' To be

defeated in anything is a great letdown to an individual's mo rale. Many times when we are defeated we lose the desir to keep trying. G. E. Berry once said, Defeat is not the worst of failures. Not to have tried is the true failure.

In today's society we are con-

Life is a complex equation of growing, loving, accepting, striving and acheiving. 'Throu-
